

The Moth Ball!

July 25th, 2026
6:00 PM to 9:00 PM
30 Peck Road, Wales, MA

Join us on the Norcross grounds for a night of free crafts, seed bombs, music, activities and citizen science! We welcome all ages, and all levels of knowledge about our local moths!

Explore the moths of Massachusetts with **Adam Kohl**, featuring light and sheet set ups that attract a variety of moth species for observation and identification

Visit our presentation showcase, featuring the projects our interns have completed during their time at Norcross!
